

VISION: Widow Strong is a Supportive Community Empowering Widows & Their Children To Get Stronger Together in Body, Mind, and Spirit.

MISSION: To Serve & Connect Widows & Their Children with Experiences & Resources that Share Health, Hope, Healing after Loss.

VALUES: Clinically-sound, Biblically-Based Grief Empowerment Strategies Serving & Teaching Widows & Their Children to Thrive After Loss. Widowed Families Triumph by Transforming Their Pain into Their Purpose Through Compassionate Community Leadership.

PROBLEM WORTH SOLVING: The most important factor in the health and wellness of a child after loss is the health and wellness of their primary care giver, the widowed mom. The body's systems need at least 20-months to recover from loss or trauma. Most grief support programs are only 4 to 12 weeks long and do not integrate much-needed mental and physical recovery strategies with Biblically-based teaching.
